YOUR PHOTOSHOOT, STEP BY STEP

Photo sessions, made simple.

A thoughtful process, from booking to delivery.

How it works

EVERYTHING YOU NEED TO KNOW

01 BOOKING

After we chat on **WhatsApp** and agree on a date, a **€20 deposit** via Bizum, PayPal or Revolut secures your session. It is deducted from the final price.

02 TRAVEL

Travel is included within approximately **30 minutes of Fuengirola or Alhaurín el Grande town centre**. For locations farther away, a **€20 travel-time fee** applies.

03 EDITING & FILES

Every photo is **professionally and individually edited**. You receive two resolutions: **high quality** and **optimised** for property portals, websites and social media. RAW files are not included.

04 PROPERTY PREPARATION

Please have the property **clean, tidy and ready** for the shoot. I can bring a few bed covers for small styling adjustments; let me know in advance if they might help.

05 DELIVERY

Your edited photographs are delivered within **48–72 hours**.

06 RESCHEDULING & WEATHER

Your **€20 deposit** can be transferred to another date with at least **72 hours' notice**, or at any time if documented weather conditions (such as rain or dense fog) prevent the shoot.

07 EXTRA PHOTOS

Need more photos afterwards? You can **upgrade your selected package** and pay the difference.

08 PAYMENT & VAT

Final payment by **bank transfer or cash**. Agreed rates exclude **21% VAT**, which is applied when invoiced.

09 HOW TO BOOK

Send me the **property location, chosen package and preferred date/time** on WhatsApp.
